PARTNER
WITH
BIHAR'S
BUILDERS.

Back the next generation of builders.
Partner with Bihar's largest student
hackathon and shape the future of
Eastern India.

Bihar's largest student hackathon.

Local Context. Bold Solutions.

Hack4Bihar brings together students, hackers, and designers to build practical ideas for Bihar. It is a launchpad for innovation and solutions that can grow beyond the event.

We connect Bihar's historic knowledge legacy – from Nalanda to Aryabhata – with a modern generation ready to build the future through technology.

As a sponsor, you get direct access to a highly motivated talent pool, deep community visibility, and the chance to shape the builder ecosystem in Eastern India.

S1 PARTNERS

02

S1 CITY MEETUPS

Six tracks. Real problems.

Challenge tracks built around local context and ambitious ideas.
Your brand can own a specific track and drive the narrative.

AgriTech Bihar

Smart irrigation, crop forecasting, and mandi alerts for rural communities.

HealthTech Rural

Telemedicine, maternal health, and AI diagnostics for underserved areas.

EdTech for Bharat

Vernacular learning, skill development, and dropout reduction tools.

GovTech & Civic

Transparent governance, grievance redressal, and public scheme tracking.

Culture & Heritage

Digitizing Mithila art, Maithili literature, and artisan livelihoods.

Open Innovation

Wild card. Any domain. The boldest idea for Bihar wins.

What your brand gets.

Direct Talent Access

Connect directly with 500+ elite student developers and builders from across India. This is your premier opportunity to recruit early, scout top talent, and build a lasting talent pipeline in the region.

#1 PRIORITY

Brand Visibility

Feature your brand across our main website, gigantic event banners, and high-quality participant merchandise. Reach thousands of students and regional tech enthusiasts.

Developer Relations

Position your team as expert mentors. Let hundreds of participants build real solutions directly on your APIs, platforms, or developer tools over a 48-hour sprint.

Community Building

Invest deeply in Bihar's emerging builder ecosystem. Support real, scalable tech solutions in one of India's most underserved yet high-potential regions.

Choose your access pass.

We welcome diverse partnerships. Pick a specific role that fits your organization's resources and marketing goals.

TECH

Technology Partner

Provide developer tools, cloud credits, APIs, or SaaS platforms that hackers can use exclusively during the event.

MEDIA

Media Partner

Amplify the hackathon through massive coverage across your channels – social media, press, and email newsletters.

KIND

In-Kind Partner

Support with physical products – high-quality merchandise, energy drinks, food, travel assistance, or venue tech.

SKILL

Skill Partner

Offer exclusive workshops, bootcamps, or mentorship sessions to help participants sharpen skills before the hacking begins.

COMM

Community Partner

Drive massive event awareness by spreading the word through your vast college network, tech clubs, and developer groups.

TRACK

Track Sponsor

Own an entire problem domain. Your brand becomes the absolute face of a specific challenge and its winning solutions.
